Is high cost limiting the number of releases you send, missing out on potential news coverage, or recognition within the community?

Distribution and promotion of news releases.

The HRIPortal will deliver your release to the media, put it out on social media and make it available for journalists and the community to browse on a site dedicated to you at a fraction of the cost.

Non-Members  
\$290

Members  
\$190

Free for all site visitors

Visitors will be able to view the latest news relating to our community without wading through time-consuming and irrelevant content.

News and comment relevant to you
